

ANJALI GUPTA

W E B D E V E L O P E R

PROFILE

B.Tech (2025) fresher with skills in HTML, CSS, JavaScript, React.js, Node.js, Java and SQL Server. Completed hands-on projects like Hostel Management System and E-commerce Forecasting System. Certified in React.js & Java Programming, eager to start a career in software development.

PROFESSIONAL EXPERIENCE

Experience

Hostel Management System Aug 2024 – Sep 2024
CoderSoftech New Delhi

- Designed and implemented a web-based system to manage hostel operations such as room allocation, fee tracking, and complaint handling.
- Created a responsive interface with HTML, CSS, and JavaScript to achieve a seamless user experience.
- Implemented backend functionality with PHP and integrated MySQL for data storage and retrieval. Installed on a local server with multiple users to make it more accessible with robust data security in place.

Volunteer

Volunteer at 5th International Conference on Artificial Intelligence & Robotics in Life Science (ICAR-23)
Rama University, Kanpur | November 24-25, 2023

- Effectively ensured a seamless execution and management of the conference as a devoted volunteer. Ensured that participants were comfortable and assisted with proceedings of the conference

Achievements and Extra-Curricular Activities

- 1st Prize** in Carrom Competition Heritage International Public School | November 13, 2018
Achieved first rank in an inter-house Carrom tournament, showcasing concentration, strategy, and accuracy.
- University Coding Competition** - Engineer's Day
Ranked third in Java coding competition held by Rama University, showcasing my Java coding talent and problem-solving skills.
